Helping those in need in the community

We are

already helping people regularly and one means is to support Local Businesses

- We still need your emails so that firms will see their offers will go to many people. Perfectly safe: nobody will get these emails, no spam, and a chance to win various prizes. Draw is after ½ term. Go to the website to put in your email.
- If anyone wishes to apply for help because they are in need, then application forms are available from the Priory house.
- Anyone with a business could well benefit: put themselves onto the website so that what they do and any offers they have are advertised to those who have subscribed their emails. This happens automatically each fortnight.

People in Need Before using the Newman fund we have been asked to find 2 good electric cookers and also a tumbler drier. One cooker for a person with limited sight needs a glass top over the rings. We have to check first whether they are suitable for our needs, but if anyone has one available please contact Mike Flynn on 07864055069

Harvest Festival. In one week's time for the weekend 15th & 16th October we will be celebrating our Harvest Festival. Parishioners may like to hand in tins and non-perishable goods or baskets of food. We sell these for CAFOD. Fasting is also something we should consider doing to show our love for God, a very old traditional Christian practice, just for itself, no other reason.

Book Stall - thank you for all the donations of books. We no longer take videos or DVD's as they are not selling and we have huge quantities to dispose of. Please only send clean and good condition books. You have raised in the region of £500 to help the furniture scheme. Thank you.

Helpers needed to price up the goods that will be coming for the Harvest Festival 4pm this coming Friday 14th October. We thank Berry Brothers for loan of wheel barrows.

WORD OF LIFE

Follow me (Matthew 9:9)

Going against every social convention, Jesus called Matthew to follow him and accepted the invitation to dine at his home. Later he would do the same with Zaccheus, the chief tax collector in Jericho. When questioned about his behaviour, Jesus answered that he had come to heal the sick, not the healthy, and to call not the righteous, but sinners. When he called Matthew he called one of these. Jesus had already spoken those words to Andrew, Peter, James and John on the shore of the lake. He gave the same invitation, in different words, to Paul on the road to Damascus. But Jesus did not stop there. Throughout the centuries he has continued to call men and women of every people and nation. He still does so today: he comes into our lives and meets us in different places and different ways, and once more we hear his invitation "Follow me."
