WORD OF LIFE

Nothing is impossible to God (Lk 1:37)

Jesus said whatever we ask the Father in his name he will give to us. So let's try asking him for what we have most at heart, firmly believing that nothing is impossible to him: whether it be solving a desperate situation, or peace in the world, or healing a serious illness, or settling conflicts in the family and in society. And if there is more than one of us asking for the same thing, and we are in full agreement because of our love for one another, then it is Jesus himself in our midst who prays to the Father and, according to his promise, we will obtain what we ask for.
