The Holy Water stoup to remind us of our Baptism. The Altar depicts the Eucharist we share together. The Font is decorated to remind us of our Baptism and this is where our Christian journey begins. The Aumbry by the Holy Souls Chapel where we store the Holy Oils used for Baptism, Confirmation and anointing the sick and last but not least the Tabernacle where we keep consecrated hosts to take out for the sick and for personal devotion. Perhaps today or during this week you could make a mini pilgrimage round our Church enjoying the floral decorations and praying for this new way of catechesis. You can pick up a prayer card by the Holy water stoup.

WORD OF LIFE

Do not conform yourself to this age but be transformed by the renewal of your mind, that you may discern what is the will of God, what is good and pleasing and perfect.

Saint Paul affirms that it is above all a matter of living in a certain way, that is, it is a question of generosity, of determination in living the Scriptures, because it implies setting aside one's fears, uncertainties and mediocrity. It is a question of availability and readiness to carry out the will of God. This is the way to acquire the light of the Holy Spirit and achieve the new mentality asked of us here.
