WORD OF LIFE

But if you endure when you do right and suffer for it, you have God's approval (1 Pt 2:20)

Peter advises them not to give in to the instinctive reactions that such situations provoke, but to do what Jesus would do. He urges them to respond with love and to see such difficulties and lack of understanding as a grace, that is, something God allows so they can demonstrate the true Christian spirit. Besides, like this with their love they will be able to bring to Christ even those who do not understand them.
