#### PARISH WAY OF LIFE INITIATIVE.

In the Gospel today, Jesus says to His Disciples "*Come away to a lonely place and rest a while*". Wouldn't it be good if we too accepted this invitation, to spend time with Jesus – really to get to know Him? How can we spend time with Him? Among many other ways, in our personal prayer – yes; when two or more are gathered in his name, he is with us. After all He is our friend and we all like to spend time with our friends. People differ as we all know in their ways to live and be with friends.

Pope Francis encourages us to 'a renewed personal encounter with Jesus Christ or at least openness to letting Jesus encounter us'. So, let us try each day to spend more time with Jesus - what great joy we shall experience.

#### WORD OF LIFE

**Take courage: I have conquered the world! John 16:33**

*These words of Jesus that we will keep in mind for the whole of this month can fill us with trust and hope. However tough and hard may be our circumstances, we have the certainty that Jesus has already made them his own and overcome them. Even if we do not have his inner strength, we have him himself who lives and struggles in us. We can say to him when we feel crushed by difficulties, trials or temptations, 'If you have overcome the world, you will know how to overcome this "persecution" I am going through. To me, my family , to my colleagues at work what is happening seems like an impossible hurdle. It feels to us as if we can't make it. But with you among us, we will find the courage and the strength to face it, until we come to be "more than conquerors"*
