Parish Workshop on Liturgy: Becoming the Church we want to be Each week we pray in anticipation of Synod 2020 to become the 'church God wants us to be'. Leyland St Mary's is on its own journey of discovery and development. Our church here in Leyland is a vibrant & busy parish with a wide range of groups and associations that form the fabric of our community. As we, the church face the challenges of the 21st Century, it is more important than ever that we come together as that community to be a sustainable parish that is strong, prepared to meet whatever comes.

The Parish Council has embarked on a journey to develop our parish that brings us closer together in one body, the body of Christ. As we begin the journey we wanted to tell you what is happening and how you can be involved. Over the coming months we will be taking small steps together, from which we will learn from each other focussing on the 5 ministries of the early Church; WORSHIP, WORD, WELCOME, WELFARE, AND WITNESS; they give us a blueprint for being the Church today.

We begin with the ministry of worship. Each week we gather for Mass which is the source and summit of our faith. When we get ready for guests who visit our home, there are lots of different jobs to do; on Sundays, Gods 'home is got ready to welcome and greet his family in a similar kind of way.

On March 16th we are personally inviting all those involved as musicians, altar servers, flower arrangers, Eucharistic ministers, readers, sacristan to join us during the holy period of Lent to reflect on how each of our various roles contribute to the celebration of the Mass and how we go forward together, to develop and strengthen our faith and witness. If ANY parishioner wishes to attend you may come as well.

There will be two workshops **Saturday 16th March 9.30 am to 12.30: come to both:**
Saturday 30th March 9.30 am to 12.30 venue for both St Mary's Narthex.
Please sign the list in the narthex this weekend if you are attending.

St Augustine said "By faithfulness we are collected and wound up into unity within ourselves, whereas we had been scattered abroad in multiplicity". All members of the Parish will be involved on this journey through the 5 ministries, and we welcome anyone with an interest to join us.

SPUC 2019 Youth Conference 'Be a Voice for the Voiceless' Friday 15th - Sunday 17th March in Milton Keynes. See poster or flyers in the narthex for details. Help is available with costs, please contact David Newton 451880

OUR WAY OF LIFE St Benedict wrote about Lent for his monks: His message is that a monk's life should always be Lenten. Since few monks are able to achieve this, Lent is for the entire community to do something extra. We should stop behaving badly and do positive things that may include activities that disturb the normal pattern of life.

A REFLECTION. (These are Pope Francis' suggestions that put St Benedict's teaching into practice for us.)
Fast from hurting words & say kind words. Fast from sadness & be filled with gratitude. Fast from anger & be filled with patience. Fast from pessimism & be filled with hope. Fast from worries & have trust in GOD. Fast from complaints & contemplate simplicity. Fast from pressures & be prayerful. Fast from bitterness & fill your heart with joy. Fast from selfishness & be compassionate to others. Fast from grudges & be reconciled. Fast from words & be silent so you can listen. (Many thanks to a Parish married couple for finding Pope Francis' way to keep Lent)

WORD OF LIFE Be merciful, just as your Father is merciful (Lk 6:36). St Luke's gospel tells us that, after proclaiming the Beatitudes to his disciples, Jesus then invited his followers to love every person as a brother or sister, even those considered to be enemies.
