OUR WAY OF LIFE In the Preface of today's mass, it states that Peter and Paul each in a different way gathered together the one family of Christ. Peter was "foremost at preaching the faith, Paul was its outstanding preacher". For all of us who love the Family of Christ, i.e. the Church it is no wonder that we have a great celebration on this day when the Church celebrates the beginnings of right religion.

A REFLECTION. What is right Religion? Who was the greater, Saint Peter or Saint Paul? Sometimes Peter was more important than Paul at other times vice-versa. We all are important with our own part to play in life that nobody else has. All we do for good is God's Holy Spirit working in us. Right Religion in practice is that all human beings are brothers and sisters, children of one father, to be loved, valued, appreciated and welcomed.

WORD OF LIFE

"You will receive power when the Holy Spirit has come upon you; and you will be my witnesses." (Acts 1:18)
This thought by Chiara Lubich can help us: "The Holy Spirit dwells in us as in a temple, giving us light and guidance. He is the spirit of truth who enables us to understand the words of Jesus, making them come alive and showing their relevance. The Holy Spirit helps us fall in love with wisdom and suggests what we might say and how to say it. The Holy Spirit of Love kindles God's own love in our hearts, enabling us to love God with all our heart, soul, and strength, and love the people we meet on our journey. He is the Spirit of fortitude who gives us the courage and strength to be consistent with the Gospel and always bear witness to the truth... God's love in our hearts can reach out to many other people with whom we can share our discovery. ... The 'ends of the earth' are not only geographical. They can be found, for example, in people close to us who haven't had the joy of truly knowing the Gospel. Our witness must reach that far... Out of love for Jesus, we can 'make ourselves one' with everybody, forgetting ourselves so that they feel the gentle power of God's love in us. Then they too will want to 'make themselves one' with us, in an exchange of ideals and projects, help and affection. Only then can we speak and that too will be a gift, in mutual love".
