OUR WAY OF LIFE. A person who gives love and receives it is somebody who has grasped the Holy Trinity in life even if not in understanding. If you give a lot of love you will be loved by many people, and you will feel alive, helped and supported.

A REFLECTION. Sometimes we have been brought up to know that God is all goodness, all contentment, all consolation, all light and all love; yet we may experience within despite the presence of the Spirit, dryness, boredom, darkness and a lack of love. Jesus says, "Ask and it will be given to you, seek and you will find, knock and the door will be opened to you". It is worth praying for that extra gift that God wants to give us in these difficult times for faith and the Church.

WORD OF LIFE "Peace be with you. As the Father has sent me, so I send you." (Jn 20:21).

Marilena and Silvano told us their experience: "When we got married, we wanted our family to be open to others. One of the first experiences happened just before Christmas. Instead of hurriedly wishing people happy Christmas as we came out of church, we decided to visit our neighbours bringing them small gifts. They were all surprised and pleased, especially one family that everyone else avoided. They opened up to us, telling us about their difficulties and the fact that no-one had come to their home for many years. We spent over two hours with them and were moved by how happy they were.

Little by little, just by making the effort to be open, we got to know many people. It wasn't always easy because if someone came round unexpectedly we had to change our plans. However, we didn't want to miss any opportunity to develop relationships. Once we were given a cake, and decided to share it with a lady who had brought us toys to send to Brazil. She was very happy and we had a chance to meet her family. As we were leaving, she said, 'I really wish I had the courage to go and visit other people!'"
