LEYLAND ST MARYS YOUTH GROUP

We have decided that, with so many young people away on their family holidays during August, that it would be a good idea to close until the schools resume for the Autumn Term. We plan to have a **Youth Group 'Party Night'** to re-start the group on Sunday 8th September, when we hope to attract quite a few of the new Year 7 students from St Mary's High School. From 7pm until 9pm we will be having games in the gardens and a BBQ. Staff will also take the opportunity to discuss the programme and activities/events to be organised in the future months.

If you are High School age come down, or you have family in that age bracket, encourage them to attend that night. It will be great fun! The event will be FREE to all young people attending. See you there!

WORD OF LIFE For where your treasure is, there your heart will be also. (Luke 12: 34)

To free us from the slavery of having, Chiara Lubich made an enlightening suggestion: "Why does Jesus insist so much on detachment from goods, to the point of making it an indispensable condition for being able to follow him? Because the first treasure in life, our real wealth, is him! ... He wants us to be free, with our souls unburdened by any attachment or worry, so that we can truly love him with all our heart, mind and strength. ... He asks us to renounce our possessions also because he wants us to be open to others... The simplest way to "renounce" is to "give".

We can give to God by loving him. We can show our love by loving our brothers and sisters, being ready to risk everything for them. Even if we do not realise, we have much wealth to share: we have love in our hearts to give, friendship to express and joy to communicate. We have time to use for other people, prayers to offer, inner riches to share. Sometimes we have things such as books, clothes, cars, money... Let's give them to others and not reason that they might be useful on such and such an occasion. Everything can be useful, but in the meantime, by giving in to these ideas, our hearts can become full of attachments which, in turn, create new needs within us. No, let's try to keep only what we need. Let's be careful not to lose Jesus because of some money we have set aside, because of something we can do without".

"For where your treasure is, there your heart will be also."
