Daring to Care "Future generations stand to inherit a greatly spoiled world. Our children and grandchildren should not have to pay the cost of our generation's irresponsibility.....Indeed, as is becoming increasingly clear, young people are calling for change" (cf. Laudato Si' 13). Today's young people are saying, "The future is ours", and they are right! Pope Francis, June 2019. The Season of Creation: UN Climate Change Conference (COP26) Glasgow from 31 October to 12 November 2021. Leaders from 197 countries, including Pope Francis, who have signed up to the UN's climate change treaty, will travel to Glasgow to take part in the conference. This will be the largest gathering of world leaders ever to take place on British soil.

The focus of the conference will be how to keep temperature rises below 1.5 c. If the world warms more than this threshold, millions more people in the most vulnerable communities around the globe will suffer from devastating droughts, storms, floods and other impacts of climate change. Governments will be obliged to set more ambitious goals for ending their contribution to climate change under the Paris Agreement (2015).

CAFOD invite us to sign a petition urging the Prime Minister to make sure the communities hardest hit by the climate emergency are listened to at COP26. Please sign the petition online here: According to Gordon Brown (former PM) to sign what Churches propose is effective <https://e-activist.com/page/73304/petition/1>

Opposing the Assisted Dying Bill There are many reasons to oppose this bill to be debated in October. On the website a document explains about this bill under the Bulletin Tag / Important Issues. Please pray and write to our MP or to a few members of the House of Lords. The document explains how to do it.

St Vincent de Paul (SVP) Awareness Month This month the work of SVP is highlighted in all parishes. This year **'the need is greater than ever'**. Through the last year human nature and human spirit have been tested. Everyone has been affected in some way, financially, socially and or emotionally. Many have found themselves in desperate need. They have been and many still are lonely, hungry, in need of clothing, advice and practical support. Here in the parish the St Vincent de Paul group have spent 187 hours helping 39 beneficiaries during the last year.

Could you visit to help and support someone in need? Could you Dare to Care for half an hour a week?

Please consider joining the parish St Vincent de Paul group, or to learn more about the work of the St Vincent de Paul group in the parish, please contact church on 455955 and leave your details, someone will then be in touch.

Word of Life Whoever wants to be first must be last of all and servant of all (Mk. 9:35).

In spite of their frailty and fears, Jesus had confidence in the disciples and had called them to follow him and to share his mission to serve everyone. Paul's exhortation to the Christians in Philippi comes to mind: "Do nothing from selfish ambition or conceit, but in humility regard others as better than yourselves. Let each of you look not to your own interests, but to the interests of others. Let the same mind be in you that was in Christ Jesus." Serve, not so much as slaves who are forced into their work, but as a free people who generously offer their skills and strength and give of themselves not only for the benefit of a specific group or party, but for all those who need help, without exception and without prejudice. This is a call for us today, too, to have open minds and hearts, to recognise and care for the needs of others and to be active in building truly human relationships. It is an invitation to put our talents to good use for the common good and, in spite of our failures, to start afresh to do so each day, putting ourselves in the last place in order to press on together with others towards the only possible future: universal fraternity.
