## **WAY OF LIFE**

### **WORD OF LIFE**

**The Lord is good to all, and his compassion is over all that he has made.**

Let's take advantage of the time we have off work, or of all our chances during the day, to lift our gaze to the depths of the sky, the majesty of the mountain tops and the vastness of the oceans, or even just to see a tiny blade of grass sprouting by the roadside. This will help us to recognize the Creator's greatness, the one who is 'lover of life', and to find hope again in his infinite goodness, which surrounds all things and accompanies them.

Let's choose for ourselves and for our families a modest style of life, one that respects the demands of the environment and is in keeping with the needs of others. Let's share the goods of the earth and of our work with the poorest of our brothers and sisters. And let's give witness to the fullness of life and joy by becoming bearers of tenderness, kindness and reconciliation to the world around us.

**Our Parish of St Mary's Leyland** is excited to announce that our parish will be a pilot scheme for the "CALLED BEYOND PROGRAMME" to help focus on vocations in the broadest sense of the term and to encourage us to develop a "Culture for Vocations". It initially culminates in a week of events (October 8 – 15). The team has been working together hard during August and we now have clearer ideas how to tailor this week to our needs. You will be kept informed in September as we do some more work meeting and discussing the issues. Please follow the news, and keep the dates free.
