## **WAY OF LIFE Come Holy Spirit,**

Pope Francis says, "If we wish to lead a dignified and fulfilling life, we have to reach out to others and seek their good," and "All the baptised, whatever their position in the church or their level of instruction in the faith, are agents of evangelisation." Through our Baptism we are called to continue the mission which Jesus gave to His disciples - 'to go out and spread the Good News'. In all of our lives there are opportunities given to us to share our faith with others, to witness to Jesus by what we say and do.

Some of you will have had such experiences in your encounters with others, if so, maybe you would like to share your story with the Parish or if you would prefer to write it and ask someone else to read it. If you feel able to do this, there are cards and pens on the table at the back of Church, please leave your name and contact number before September 13th.

## **WORD OF LIFE**

*Walk in Love (Eph 5:2)*

How can we walk most swiftly upon the way of love? Since the invitation is given to the whole community it is a good idea to help one another. Indeed, it is sad and tough to go on a journey alone. We could start by finding the opportunity to declare to one another again (with our friends, families, the members of the same Christian community) our will to walk together. We could share our positive experiences about how we have loved, so as to learn from one another. We could share with someone able to understand us the good things God has done for us, and even in an appropriate way, the mistakes we have made and our slips along the way, so as to be corrected. Prayer together too can give us light and strength to go ahead. United among us and with Jesus (who called himself the Way!) in our midst we will be able to travel along the whole of our 'Holy Journey'. We will sow love around us and we will reach the goal: LOVE.
