WORD OF LIFE

I am the bread of life. Whoever comes to me will never be hungry, and whoever believes in me will never be thirsty. (Jn 6:35)

For those who were listening to him it was a clear reference to manna and also to the awaited 'second' manna that would come down from heaven in the Messianic age. Shortly afterwards, in that same discourse, to a crowd that still did not understand him, Jesus presented himself as the true bread come down from heaven, which is to be accepted through faith.
