QUOTE OF THE WEEK: Never give up your right to be wrong, because then you will lose the ability to learn new things and move forward with your life.

WORD OF LIFE

Owe no one anything, except to love one another; for the one who loves another has fulfilled the law (Rom. 13:8)

The subject of love for our neighbour, which it puts before us once again, has infinite shades of meaning. Here we pinpoint one in particular that would seem to be suggested in a special way by the words of the text. If, as Paul says, mutual love is a debt, we need to have a love that is the first to love as Jesus was within us. It will be, therefore, a love that takes the initiative, that does not hold back, that does not delay.

High School Prize Giving Thank you all involved for honouring so well the fire-fighters of Lancashire – guests of honour - who saved ½ of our School from destruction on 1st September. See some photos on the boards.

Heating Thank you for the immense hard work and your money that went into the setting up of our new heating system. It was on for the first time for our prize giving, and usual people who like to joke because of the cold were pleasantly surprised. Thanks for prayers: pray it works well: we trust that the good Lord will provide the money to pay all the bills of setting up & maintaining the warmth.
