**WAY OF LIFE** *Come Holy Spirit,*

Pope Francis tells us that, "Each Christian and every community must discern the path that the Lord points out, but all of us are asked to obey his call to go forth from our own comfort zone in order to reach all the "peripheries" in need of the light of the Gospel.

For our "Way of Life" initiative, the question for all of us is, "**How can I fulfil in my situation today the mission to announce to others, especially on the edges of society, that Jesus is risen and alive?**"

**WORD OF LIFE** **By this everyone will know that you are my disciples, if you have love for one another. Jn 13 :35** Did not the first Christians behave like this at the time of the Roman Empire? Is not this the way they spread the transformative new life of Christianity? In our own day it is we who are the 'first Christians', called, as they were, to forgive one another, to see each other as always new, to help one another - in a word, to love one another with the intensity that Jesus loved us, in the certainty that his presence in our midst has the strength to draw others too into the divine logic of love.

*Word of Life available in full in front of the piety shop (New City), & the website.*

**Fr. Jonathan** sends all his best wishes to all in the Parish. He has given all the small gifts that were handed in and the gifts of money and the community of Fr. Celso send all their greetings. If possible you can see some photos on the board and the website under the tag "The Young at Heart".
