**Preparing for the Archdiocesan Assembly "The Lord's Day"
24th November 2012**

A Day of Riches: The spiritual and pastoral riches of Sunday as it has been handed on to us are great. When understood Sunday becomes a synthesis of the Christian life and a condition for living it well. It is clear therefore why the observance of the Lord's Day is so close to the Church's heart. (DD81)

As we come close to our Assembly we try to remember that Sunday is not just an obligation, it is part of what it means to be human. God gives us Sunday for communal living and loving. If we understand Sunday in this way it becomes for us a healing and a spring of hope.

For reflection: What has Pope John Paul helped you to understand about Sunday?

Catherine Sullivan & Friends

Catherine will be performing along with her friends on Friday 23rd November at the Parish Centre. The evening's event will be raising money for the Logan North Appeal. Tickets are £3 and available from Paul Falcone or Catherine Sullivan

Five year old Logan was diagnosed with Stage 4 Neuroblastoma in October 2011, after numerous trips to the doctor and hospital. His Mum, Amanda, said, "Logan is usually such a happy child, but his illness is making him weak, frail and unhappy. It's heart breaking to see what this awful cancer is doing to my lovely boy - I need your help to put the smile back on his face."

Logan's treatment will cost about £250,000 and will not be funded by the NHS. Logan's dad Ian plans to travel with Logan to America, while Amanda and the rest of family would stay in the UK. Please help Logan's family to put the smile back on this lovely boy's face. Logan deserves a chance of life - please do what you can to help this brave little boy.

Please come along and support this worthwhile cause and have a good night out at the same time

WORD OF LIFE

Those who love me will keep my word, and my Father will love them, and we will come to them and make our home with them (John 14:23)

How can a Christian achieve this? How can we bear God within ourselves? What is the way of entering this deep communion with him? It is love for Jesus. A love that is not mere sentimentality but translated into concrete life and, specifically, into keeping his words. It is to this love of a Christian, verified by deeds, that God responds with his love: the Trinity comes to dwell within.
