**WORD OF LIFE**

**I am the resurrection and the life (Jn 11:25)**

Martha believed in the final resurrection: "I know that he will rise again in the resurrection on the last day." But with his wonderful affirmation, "I am the resurrection and the life," Jesus tells her that she does not have to wait for the future to hope in the resurrection of the dead. Right now, in the present moment, for all those who believe in him, he is already that divine, ineffable, eternal Life that will never die. If Jesus is in those who believe, if he is in you, you will not die. This Life in the believer has the same nature as the risen Jesus and is, therefore, quite different from the human condition in which we find ourselves. And this extraordinary Life, which already exists in you, will become fully manifest on the last day when, with your whole being, you will take part in the resurrection that is to come.

*Full text of the Word of Life is available on the cupboards just outside the Piety Shop. Please help yourself.*

**From today's Gospel:**

Jesus stepped forward,  
took the bread  
and gave it to them,  
and the same with the fish.
