**WORD OF LIFE**

**Jesus said to her, 'Give me a drink' (Jn 4:7)**

The division between Christians is just one of the many divisions that lacerate relations in the most varied contexts as a result of misunderstandings, disagreements in families or among neighbours, tensions at work, bitterness towards immigrants. The barriers that divide us can be social in nature, political, religious or simply the fruit of different cultural habits that we don't know how to accept.

**Copies available from the cupboard by the Piety shop window or on our website**  
**Parish Way of Life initiative** Every person without exception could be the Samaritan woman who gave Jesus a drink. Focus on the positive that is in the other, not the negative and you may both receive or give the life-giving water.
