### WORD OF LIFE

**All who are led by the Spirit of God are children of God (Rom. 8:14)**  
Our relationship with the Father is not merely a matter of legal terms, as in the case of adopted children. It is something substantial, something that changes our very nature, as if by a new birth. Our whole life is influenced by a new principle and a new spirit that is the very Spirit of God. And like Paul we too would wish to rejoice forever at the miracle of death and resurrection that the grace of baptism brings about in us.

A PRAYER OF ADORATION OF  
BLESSED JOHN HENRY CARDINAL NEWMAN  
My God, I adore you, as holy in all your works as well as in your own nature. No creature can approach your incommunicable sanctity, but you approach, and touch, and possess, all creatures; and nothing lives but in you, and nothing have you created but what is good.

I adore you as having created man upright, and having bountifully given him an integrity of nature, and having filled him with your free grace, so that he was like an Angel upon earth; and I adore you, for having given him your grace over and over again in still more measure, and with far more lasting fruits, through your Eternal Son incarnate. In all your works you are holy, and I adore you in them all.
