WORD OF LIFE

You shall love the Lord your God with all your heart and with all your soul and with all your mind (Mt 22:37)

To live his will and be one with it, will often require burning our own, sacrificing all that we have in our heart or mind that does not concern the present. It can be an idea, a feeling, a thought, a desire, a memory, a thing, a person. So we will do with our whole selves whatever is asked of us in each present moment: speaking, telephoning, listening, helping, studying, praying, eating, sleeping living his will without our thoughts wandering: doing things in a complete, clear cut way.....
