WAY OF LIFE

Jesus used the word hypocrite more than anyone else in the Bible. For Jesus a hypocrite is a person who uses religion and its rules *to seem to behave* in a Godly way, *but in fact to act in a way that was godless*, promoting behaviour that is opposed to God's teachings.

REFLECTION: We need to put on the mind of Christ to be disciples: Let the same mind be in you that was in Christ Jesus (Philippians 2:5). We need to practice building up good relationships wherever we are. If we love with gentleness as Jesus did, we can face difficulties, misunderstandings and even hatred. We can bring peace, as we are urged to do today on World Mission Sunday, and God willing peace to South Sudan

WORD OF LIFE *'Let the same mind be in you that was in Christ Jesus.'* (Phil. 2:5)

What is this "mind"? How can we know the deepest desires Jesus had so as to imitate him?

Paul understood how: Jesus Christ, the Son of God, had emptied himself and had come down among us. He became man and was completely at the service of the Father, so that we could become children of God. (Paul told the Galatians about this, saying, "And because you are children, God has sent the Spirit of his Son into our hearts, crying, 'Abba! Father!'" (Gal 4:6). And in fact, John had already written about it in his Gospel: "But to all who received him, who believed in his name, he gave power to become children of God" (Jn 1:12)).

Jesus had fulfilled his mission through the way he lived his whole life. He continually humbled himself so as to reach those who were the smallest, weakest or most insecure: lepers, widows, strangers or sinners. He raised them up; making them feel loved and saved at last.

In order to recognize and cultivate the mind of Jesus in us, let's first be aware of his love and the power of his forgiveness. Then let's look to him, making the style of his life our own.

The Parish A G M is on Wed 8 Nov at 7:30 – 9.15pm in the Parish Centre. The agenda will include: *Our Financial Report; Called Beyond Feedback; The Christmas time-table*; with a drink from the bar, or a hot drink and some nibbles. An evening to celebrate Called Beyond, rejoice and take stock.

The minibus has just had its service and MOT. Necessary welding repairs cost £1500, welding on old welding. Insurance, road tax, repairs & running costs lead us to ponder options: ending its use after this year / having a realistic funding plan / any other ideas for fundraising to own and maintain a new minibus. It is not used a lot! Ideas from parishioners are welcome. Are there any volunteers to take on this project, analyse the situation & solve it?
