**QUOTE OF THE WEEK:** The key to everything is patience.  
You get the chicken by hatching the egg, not by smashing it.

**Year of Faith ends on Sunday 24<sup>th</sup> November 2013.** To help us benefit from this year of faith ending today, the feast of Christ the King, we will imitate Pope Francis. Last Sunday he distributed a very strong "medicine" to the 100,000 people in St. Peter's Square at the Sunday Angelus. He told the people to make sure they took it: this medicine has a name "Misericordina" which means "A little Mercy". It was presented in a cardboard box like any in which our pills come from the chemist. He said it would help us bodily, spiritually and for the whole of life. Inside the box (59 pills or beads) was a complete rosary. If you wish you will receive a one decade rosary and a printed card explaining how to say the rosary as you leave church. Use it well. Use it without a fuss so nobody notices. It will help you to be strong in your faith and is powerful against the wiles of the devil.

#### **WORD OF LIFE**

*Be kind to one another, tender-hearted, forgiving one another, as God in Christ has forgiven you (Eph 4:32)*

Tender-heartedness: welcoming others as they are, not as we would like them to be, with a different character, with our political views or our religious convictions, and without those faults and habits that annoy us so much. No, we need to expand our hearts and make them able to welcome everyone, with their differences, their shortcomings and troubles.
