**WORD OF LIFE**

**And remember, I am with you always, to the end of the age. (Mt 28:20)**

Jesus was also thinking of all of us living in the midst of the complexities of daily life. Because he is Love incarnate, he will have thought to himself: I would like to be with human beings always, I would like to share every worry with them, I would like to counsel them, and I would like to walk with them along their streets, enter their homes, and revive their joy with my presence. For this reason he wanted to stay with us and make us feel his closeness, his strength, his love.
