A very Happy and Blessed New Year to all!

For those of us old enough to remember and of a certain age it does not seem like ten years since the millennium! People sometimes comment "where do the years go to? What have I done in these

intervening ten years?" On New Year's eve, finishing off the bulletin one of the practices that is useful on New Year's eve is to ask God to "fill in all the 'holes' or 'mistakes' or 'those times we have not done God's will' throughout the year: we can ask God to fill them with His Love in the few hours left before the New Year comes. By the time this comes to your attention it will already be 2010. However all is not lost! When in Bethlehem fields in the Holy Land in November 09 (where the angels appeared to the shepherds) the young Franciscan Friar that works in the sacristy said to me "Happy Christmas". I (Fr. Jonathan) looked at him strangely, wondering what he meant, and he said "Each day should be like Christmas day". This, by the way was what Pope John Paul 2 said when he came to that same spot, and as the Franciscan Friar was Polish, I wondered if that had influenced him! By the same logic each day should be like 'New Year's Eve'. God can fill up our mistakes with His Love every day, and He does if we ask Him.

Who knows what this new year will bring? Yet of one thing we can be certain and for this we should thank and bless our God. We can trust Him to take care of us and make all things well. It would be good to make practical and do-able New Year Resolutions. What about asking God to see the situations in life with a positive eye rather than a negative one? In other words, the pint pot is half full rather than half empty. To achieve that high aim it will be necessary probably for most of us to deepen our relationship with God above. One practical way to do that may be the "Wednesday Word" or the Word of Life.

The Wednesday Word. The parish version of *The Wednesday Word* has been designed to unite our parish communities in prayer with our school families. There is a version in use in both our Primary schools geared for children. Collect it from the Narthex each Sunday for the following Sunday, to prepare with God's word. A good day to read it is Wednesday.

Clearing the Ice. 20 or so parishioners turned out last Sunday morning or afternoon to clear the ice from the car park. It was a very good effort and made the car park useable for daily mass goers, and for those who use our Parish Centre. Thank you to all & the generous hearted parishioner who began the process in the morning and gave the idea to "give it a go". It proved as usual when working with a crowd of others, a very enjoyable occupation, ending up with cake and other Christmas cheer for those who were there in the afternoon to the end. Photos are on the board in the porch of most of those who did the job.

Parishioners in hospital - please let us know if family or friends are in hospital and then the Priests can visit them when they are in hospital. Let us know the hospital ward. It is also helpful to let us know when they come home.

WORD OF LIFE to help us on our Journey of Life

We will celebrate the Week of Prayer for Christian Unity from 18 to 25 January. Chiara used to use the Word of Life of the month to comment on the passage of Scripture chosen for the occasion. This year that is: 'You are witnesses' (Lk 24:48). To help us live it, what Chiara wrote in 1999 is offered here as an 'urgent appeal' to Christians to witness together before the world to God's presence. 'See, the home of God is among mortals. He will dwell with them; they will be his people, and God himself will be with them' (Rev. 21:3).

'God will dwell with them; they will be his people' (see above, Rev. 21:3).

This month's Word of Life is a challenge: if we want to be part of his people, we must allow him to live among us. But how is this possible, and what can we do in order to have some foretaste, while still on earth, of the endless joy we will have in the vision of God? This is exactly what Jesus revealed to us; it is the very meaning of his coming: to communicate his life of love with the Father, so that we too can live it.

Full text of the Word of Life is available on the cupboards just outside the Piety Shop. Help yourself.
